We're on a Mission.

Enterprise's generational goal is to end housing insecurity in the U.S. That means no more homelessness and no more families paying more than half of their income on housing. We will reach our goal by creating opportunity for low-income families through quality affordable housing and connections to good schools, jobs, transit and health care. But we can't do it alone. Join us. Together, we can – and we will – eliminate housing insecurity.

Enterprise is proud to be a sponsor of Community Access' 2017 Good Neighbor Gala. We applaud Maggi Knox, City Community Capital and Sandra Lorwe for their ongoing contributions to supportive housing in New York City.
